Today is truly a glorious day in the history of the Lutheran Church in Morristown. From a beginning of one interested individual in establishing a Lutheran Church in Morristown, the work has grown to the point of formal organization. Work was started in Morristown on February 15, 1956 and the first service was held on Palm Sunday 1956. From a beginning of one today we organize with 54 adults and 20 children for a total membership of 74. Let it be our prayer that the church in Morristown continue to grow, and that it shall serve our Lord and His community.
